

Make a Family Tree

Learn about your history

One easy way to learn about your family's history is to create a family tree. A family tree is a chart you use to track your family members and their relationship to you.

Directions

Write the name and birthdate of each member of your family on this tree. Your parents might be able to help you fill in names and dates. Heritage Square Foundation is a 501(c)(3) non-profit organization www.heritagesquarephx.org
