COVID-19 has had an unprecedented effect on the Rosson House Museum and Heritage Square. We are a small nonprofit arts & culture organization, and depend on on-site rentals and events for the majority of our income. To date, we have had to cancel almost two months of tours, event rentals, and programs, resulting in an immediate and significant loss of revenue. Coming into the slower months of the summer these losses will only continue to grow, and we are looking to our community for their help.

Please join us on May 5, 2020 to keep history alive at Heritage Square! Join us on Facebook Live, and donate at <https://charity.gofundme.com/o/en/campaign/keep-phoenix-history-alive-at-heritage-square>.
